Dear Isobel, here are some pictures of you, me, our daughter Lily, my brother Mark, and your Dad! Many are from our home -- a 1920's cabin on Beaver Island! You are a wonderful wife and mother! I love you and miss you and will wait for you! I am staying at a hotel across the street from where you are now and will be there for visiting hours every day. We will get thru this together!!! Your loving husband, Rich
