Dear Isobel, here are some pictures of you, me, our daughter Lily, my brother Mark, and your Dad! Many are from our home -- a 1920's cabin on Beaver Island! You are a wonderful wife and mother! I love you and miss you and will wait for you! I am staying at a hotel across the street from where you are now and will be there for visiting hours every day. We will get thru this together, with God's help!!! Your loving husband, Rich
